

OCP Choral Reading Session

Presented by **Orin Johnson**

Music Director, Choral Conductor and OCP Composer

Join us for a lively reading session to sing through OCP choral music. Sure to enhance your music ministry, these sessions teach the ins and outs of titles you'll want to introduce to your choir, utilizing beloved OCP resources that are already in your pews. Engage with peers in your area, learn skills to improve your parish liturgies and have fun exploring new music for the seasons. Choir members are also welcome to attend.
