Choir I tutti: Find in us God's hu - man face. \_\_\_\_\_

per - fect light.

rit. dim.

## Performance Notes

There are never enough Epiphany songs, nor is there time enough to teach them. *God's Human Face* is a partner song that is easily sung by a choir (youth or children?) or a portion of a choir and eventually blends with the assembly's singing of "We Three Kings." We hope to realize that we become God's human face for our neighbors, as we become the Body of Christ in the world.

—Diane McAninch
