Performance Notes

God with a Human Face places emphasis on the humanity of Jesus, based on the words of John 1:14: “The word became flesh and made his dwelling among us, and we have seen his glory.” This emphasis on Jesus’ humanity is balanced in verse 3 with a statement of both the divinity and the humanity of Jesus: “Love eternal, yet born in time; child of heaven and earthly space; love divine yet humble and kind; God with a human face.” This song can be sung by the assembly throughout the Christmas season.
