Composer Notes

Evangelizing all peoples constitutes the essential mission of the Church; it is in fact the grace and vocation proper to the Church, her deepest identity.

— Pope Paul VI

This song is an Easter proclamation that can be sung throughout the year. It is a call for both individual faith formation and evangelization.

Hold the tempo back so the sixteenth-note syncopations fall naturally and not mechanically. This will also let the words sink in more effectively.

— Timothy R. Smith
