**ADDITIONAL VERSES**

**General**

Let us know your love in each one.  
 Bless all those we touch in your name.  
 Keep us just and fair in our work.  
 Give us life to sing of your love.  
 Now renew our minds by your will.  
 May your words be sweet in our mouth.  
 Let your steadfast love come to us.  
 That in hope, we live by your word.  
 Open us to truth at all times.

**Seasonal**

**Lent**

Be redeeming grace in this place.  
 Call us deep in prayer as we live.  
 From our selfishness free us now.  
 Turn our hearts to you as we pray.  
 Soften hearts of stone by your love.  
 Help us when we stray from your path.  
 Lift our hearts in hope for our world.

**Holy Week**

By the Lamb, once slain, give us life.  
 That we see Christ's face in the poor.  
 Welcome all who come to be fed.

**Easter Vigil**

Make us one with you on this night.  
 On this holy night be our joy.  
 By your risen Son, make us one.  
 Christ, the Morning Star, shine on us.  
 Give us life to sing of your love.

**Easter**

Through us may you shine, full of love.  
 Be the word we share everywhere.  
 By your risen Son, make us one.  
 Let our song of praise sound always.

**Most Holy Body and Blood of Christ (Communion)**

Make us welcome guests at your feast.  
 With the food of life feed us now.  
 By this holy food make us strong.  
 Christ, with living bread feed us now.  
 Christ, as wine outpoured, quench our thirst.  
 Strengthen us to live in your truth.  
 Fill us with your joy that is true.  
 Welcome all who come to be fed.

**Topical**
