## Performance Notes

*Come, Lord Jesus* is set in a traditional hymn structure, easy to sing and deliberately simple. It is an Advent song with an eschatological text that would also be suitable for the last Sundays of Ordinary Time. It is also appropriate for Evening Prayer.

\*The tempo should be determined by the setting in which the piece is used—thoughtfully and gently (*ca.* 84) for Evening Prayer, or more energetically (*ca.* 114) as a gathering or closing song for Eucharist.
