VERSE 1

1. *You are the seed that must grow and bear fruit. You're a star that must shine, bringing light.*
You are the yeast, you're the salt of the earth, a beacon that shines in the night.
You're the new day that is born once again. You're the grain that bursts forth with new life.
You are a thorn, yet a voice full of love, my witness to all who will hear.

REFRAIN

Go, my friends, to all the world, announce forgiveness and love,
heralds of the new life I bring, peace and love for all.
Go, my friends, and be the witness of my rising from the dead.
Take my presence to all people; I am always with you.

VERSES 2, 3

2. *You are a torch that must burst forth in flame, turning hearts to faith and charity.*
You are the shepherds that lead all the world in pathways of light and of peace.
You are the friends that I chose for my own, you're the Word that I want to proclaim.
You're the new Kingdom, creating new life of justice, of love, and of truth.
3. *You are the fire and the life that I bring. You're the wave that stirs up the sea.*
You, my disciples, must leaven the bread, the Kingdom of God in the world.
You are the light and the salt of the earth, never hiding, but showing forth truth;
and in your actions of faith and goodwill, the Father will then be revealed.
