Performance Notes

This little carol may be sung by a solo voice, by unison choir, or with the choral harmonies. For variety you might like to sing verses 1 and 2 in unison and save the harmony for verse 3. If you would like the piece to last a little longer, play a verse on instruments alone before singing verse 3. If sung as a hymn with assembly, an accompaniment a step lower in E \flat is available from OCP, edition 70179.

Keep the accompaniment flowing gently. Add the handbell part for extra color.

—C.W.
