Performance Notes

A simple unison hymn with optional elaborations as shown here. The tune came first; I asked Patrick Lee to write a text, and he came up with this version of Psalm 100, a psalm which never goes out of date. The tune could be used with other texts as well. It has a morning feel about it and its most obvious use is as an opening song.

It is named after a village in Mildenhall parish which deserves a small part of history.
