## Composer Notes

This bolero-style preparation song asks the Lord to enlighten and transform us in the core of our being—biblically speaking, in the heart. This transformation begins as we profoundly listen to the Word, and it comes to its fullness as we share the Lord’s Supper. This takes place so that we might serve others, in imitation of Christ.

*Este canto en estilo de bolero pide al Señor que ilumine y transforme nuestras vidas en el centro de nuestro existir. Siguiendo el lenguaje de la Biblia, esta transformación sucede en el corazón. Es allí donde, al escuchar la Palabra profundamente, la transformación comienza, y culmina al compartir la Cena del Señor. Todo esto para servir a nuestro prójimo, como lo hizo Cristo.*
