Holy, Holy, Holy Cry

Verses (\( \text{\textit{d}} = \text{ca. 128} \))

1. The Lamb of God stands on the height.
2. In bitter sacrifice once slain,
3. To him now let our prayers arise
4. While heavens’ praises hail his worth,

1. Among the glorious clouds of light,
2. He lives in triumph there to reign
3. In clouds of incense to the skies,
4. He catches up the prayers of earth

1. Above the city paved in gold
2. Among the saints clad all in white
3. From censor borne by angel hands,
4. In wounded hands till countless throng

1. Where death and darkness have no hold
2. In realms where day yields not to night
3. Bright tongues of fire from far-flung lands
4. The singers come to join the song

And, “Holy, holy, holy” cry
to you, our Lord—Most High. "Holy, holy, holy—"
