YOU GATHER IN THE OUTCAST

Andante (\( \frac{4}{4} \) = ca. 92)

1. You gather in the outcast, The wretched and the weak.
2. You dwell among the lowly, The poor and those who mourn.
3. You shoul-der all the burdened, The fallen and the lost.
4. You welcome all the hungry, The thirsty and the bare.

1. From every street and city, From every home we come.
2. To you we bring the suffering, To you we bring the pain.
3. For you, none is too heavy, For you, no burden.
4. In you we find all fullness, In you is what we seek.

1. You lay the feast before us, You bid us come and pour.
2. You meet us with compassion, You mend the hurt we wear.
3. Your care is never wearied, Your love is never cost.
4. You lay the feast before us, You bid us come and seek.
