Composer Notes

“Go, Make Disciples” is the last song in the new children’s collection *Many More Stories and Songs of Jesus* (30132494). The resource offers Gospel stories with songs that reflect each story. It is in the style of two earlier OCP resources, *Stories and Songs of Jesus* (9404) and *More Stories and Songs of Jesus* (10417). Each volume is available in a large, beautifully illustrated book, activity/coloring book, and compact disc. The recordings include both the stories and the songs. The recordings feature children singing, but they also include instrumental tracks so you can sing with recorded accompaniment.

“Go, Make Disciples” can be sung as a sending-forth song at the end of any celebration or Mass, or when a gathering is focused on discipleship and mission. This piece can also be sung at any time to give some energy and fun to a class or road trip!

The keyboard accompaniment is only a guide. Adapt it as you like—but keep it lively. You also may like to add your own verses.
