Holy Mary, Revealing Your Son
Composer Notes

“Holy Mary, Revealing Your Son” was commissioned for the 100th Anniversary of Our Lady of Sorrows Parish and the 50th Anniversary of Our Lady of Mercy Parish, both located in Jersey City, NJ. This is a Christocentric Marian Hymn in that the refrain text intentionally places Christ as the goal of all Marian devotion:

- Jesus received his humanity from Mary (“Holy Mary, revealing your Son, Sacred the hearts that beat as one”);
- the goal of all Marian devotions is in Christ, specifically God’s plan of salvation through, with, and in Christ (“Holy Mary, Christ’s victory is won. Sacred the gift of your son.”).

The nine verses highlight significant events in the life of Mary. Each verse invites the assembly to participate through short acclamations: “Blessed are you” and “Praise be to God.” Consider varying this format: the first half of each verse could be sung in the suggested call-and-response format, while the second half could be sung by all.
