## Composer Notes

This gentle, rhythmic Advent hymn can be sung by a choir of young people or by the entire assembly. Once the assembly learns the refrain, the verses can be sung by all. The “echoing” descant, performed by a choir, adds to the beauty of the song.

Suggested liturgical uses/topics: *Advent Hymn for the Preparation of the Gifts (Offertory) or Communion rite; Song after Communion... theme song for an Advent prayer service or classroom celebration.*
