All of Life Is Sacred

Edition #30142617
In caring for the earth, we honor you, O God.” These lyrics from verse 4 sum up the theme of “All of Life Is Sacred.” It is both catechetical and liturgical, calling young people to an awareness of the sacredness of life itself, “from beginning to end,” the sacredness of nature, of creation itself; and the need to care for the earth (as Pope Francis says, “Our Common Home”) “from planting a seed to recycling what we use.”

Suggested liturgical uses/topics: Song for Preparation of the Gifts (Offertory)/Song after Communion for liturgies and theme song for prayer services on the right to life, caring for the earth, and the sacredness of creation.
