Resucitó/He Is Risen/Ngài Đã Phục Sinh

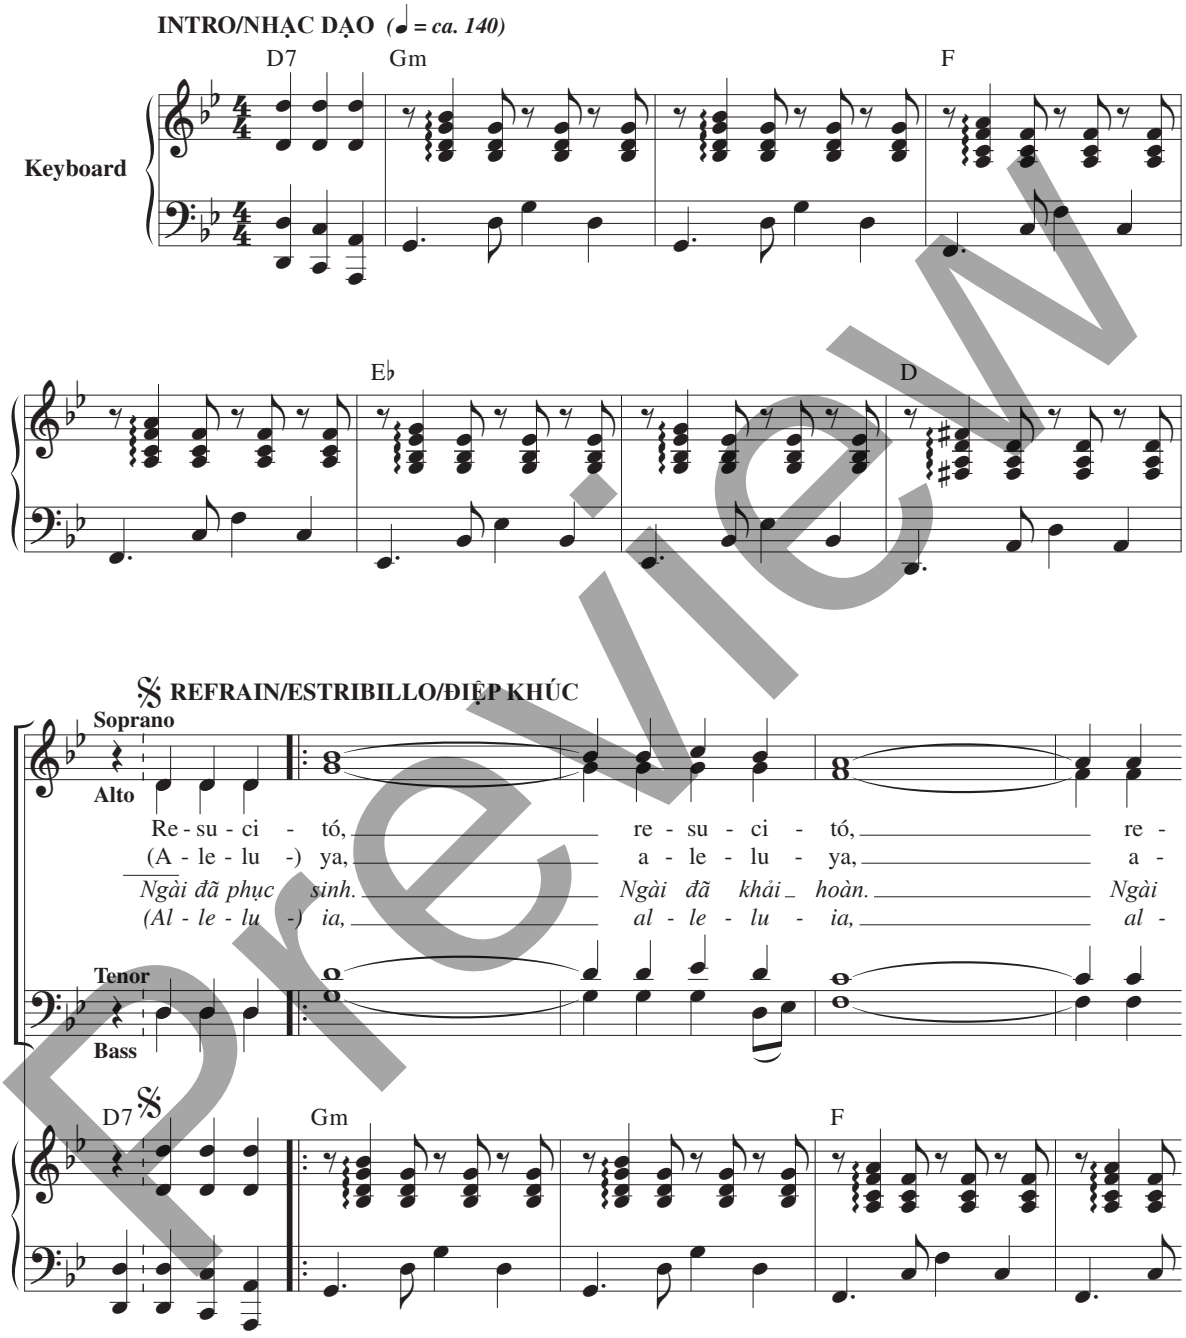
Spanish, Kiko Argüello
Vietnamese tr., Paul Nguyễn

Kiko Argüello
Keyboard acc. by Mary Frances Reza
Choral arr. by Gregorio Reyes



Note: Because Vietnamese is a tonal language of five pitches and the meanings of words change when the pitches rise or fall, some Vietnamese choir directors prefer to have the text sung only with the melody, while the other vocal harmony parts hum or "oo." Still, other choir directors may have the full SATB choir sing the text. Confer with your local Vietnamese choir director to learn what is preferred.

Parts for Trumpet I & II in B♭ are available online (91598). Visit ocp.org.
