PREFACE

In 2004, OCP released a small book of songs selected from the repertoire of contemporary music first compiled in *Spirit & Song* (1999). The fifty songs in *Choose Christ* quickly became a popular supplement to the hymnals and missals of parishes throughout the country. By 2009, it was clear that demand for supplemental contemporary liturgical music exceeded those original 50 songs. OCP responded by reformulating *Choose Christ* into an annual publication, and added an additional 60 songs. Each subsequent year *Choose Christ* added a dozen more new songs, reaching over 250 by the 2019 edition.

In the fifteen years of *Choose Christ's* history, the embrace of liturgical music modeled on modern musical styles has continued to grow, as has the expertise of the composers of this repertoire. Now, responding to the demand for quality liturgical music in contemporary styles, and recognizing its increasingly central role in the music programs of many parishes, OCP has once again reformulated *Choose Christ*. This comprehensive missal is suitable as the primary musical worship resource for parish liturgies.

In the tradition of OCP's annual missal publications, the *Choose Christ Missal* offers a balanced repertoire of both new and well-known Psalms, hymns, and spiritual songs. Our editors worked diligently to select from among the two decades of *Spirit & Song* repertoire, from the treasury of songs written since the Second Vatican Council, and from the evangelism-centered repertoire of modern worship songs, combined with contemporary arrangements of hymns, carols and chants. Added to this music repertoire are the Order of Mass with musical settings of the Mass ordinaries, full Lectionary readings from the Sunday cycle, ritual and devotional prayers, and Psalm and Gospel Acclamation settings from OCP's annual *Spirit & Psalm* resource.

The pew edition of the *Choose Christ Missal* is of course supported by complete accompaniment books for both guitar and piano, available loose-leaf with attractive binders and in PDF format for tablets. The popular *Spirit & Psalm* annual resource of responsorial Psalms and Gospel Acclamations may be purchased as needed for ensembles to support the singing of Psalms and acclamations found in the front of the *Choose Christ Missal*. Continuing OCP's tradition of excellent customer support, complimentary copies of the accompaniment books, *Spirit & Psalm*, and other materials are included with purchases of 50 or more copies of the pew edition of the *Choose Christ Missal*.

As Pope Francis reminds us, "It is necessary to ensure that sacred music...be fully 'inculturated' in the artistic and musical language of the current time; namely, that [we] are able to incarnate and translate the Word of God into song, sound and harmony capable of making the hearts of our contemporaries resonate..." (March 4, 2017; on the 50th anniversary of *Musicam Sacram*).

The goal of the *Choose Christ Missal* is just that: to provide contemporary music that incarnates the Word of God, makes hearts resonate, and stirs full participation in the Eucharist. Our hope and prayer is that it will help lead your community to a deeper encounter with God in the sacred liturgy.

Blessings on your ministry,

Wade Wisler

INDEX OF INSTRUMENTS

This Index of Instruments lists previously published solo instrument parts which are compatible with the hymns, songs, and service music in *Choose Christ Missal 2021*. Edition numbers for each part are shown for easy reference when ordering online or by phone. Please visit us at ocp.org, or call us at 1-800-LITURGY (548-8749). Please note: Several of these previously published parts were created for OCP's *Spirit & Song* hymnal, and will show song numbers for that book when you receive them. Although these song numbers do not match those in *Choose Christ Missal*, the parts themselves are compatible with both resources.

Although it is not necessary to sing a recessional hymn, when it is a custom, all may join in a hymn or song after the dismissal...At times, e.g., if there has been a song after Communion, it may be appropriate to choose an option other than congregational song for the recessional. Other options include a choral or instrumental piece or, particularly during Lent, silence. (Sing to the Lord, #199)
