Come into his presence with singing, singing, singing, singing!

Know that the Lord is God!

It is he that made us, and we are his;

We are his people, and the sheep of his pasture.
Make a joyful noise to the Lord, all the lands! Serve the Lord with gladness!

Come into his presence with singing, singing, singing, singing, singing!

Enter his
gates with thanks-giving, thanks-giving, thanks-giving,
and his courts with praise, praise, praise!
Give thanks to him, bless his name, give thanks to Man.

Performance Notes

“Make a Joyful Noise” was originally part of a collection entitled “The Johnstown Choir Book” (OCP, edition 4511). This collection consisted of several short anthems suitable for treble voices, either women or children, and was designed to develop vocal technique, diction, vitality and rhythmic unanimity.

Much of “Make a Joyful Noise” is sung in unison and requires tuneful, rhythmic and straight-forward singing.
